User Guide

❖ Borrowing

- Please bring the items you'd like to borrow to the counter along with your library card

Item type	Borrowing limit	Borrowing period	Can renew
Books	Up to 10 in total	2 weeks	Y
Audiovisual			N
Magazine (Back issues)	No limit	1 week	N

- Some materials can only be used in the reading room.
- If you have overdue items, you will not be able to borrow new materials.
- If no reservation is placed on borrowed items, you can extend the borrowing period for one week (up to twice).
- You can apply for a borrowing extension online, by phone, or at the counter from 3 days before the return date.
- You must register in order to borrow items. Please prepare documents (such as a driver's license) that show your name and address, and apply at the counter. Once you have registered, you will be issued with a library card.
- You can also apply by mail or use the Electronic Application System. For more information, please visit the library website or ask at the counter.

❖ Returning

- Please return items to the counter or to a book return box.
- Book return boxes are located next to the front entrance of the library and to the west of the prefectural office (North Building). You can use these at any time, including days when the library is closed.
- Please return the following items directly to the counter: easily damaged items (audiovisual materials, *kamishibai* books, large picture books) and books borrowed from other libraries.

- If items are lost, soiled, or damaged, you may be required to pay for them.

❖ Item search and reservation

- You can search for and reserve library materials on the website (Web OPAC) and search terminals.
- Materials are also kept in the stacks in addition to the reading room. If you want to use materials from the stacks, please ask at the counter.
- If you cannot find the materials you are looking for, please ask at the counter.

❖ Reference (surveys/consultations)

We can help you with research, like assisting in searching for documents containing information you want to know. We also accept enquiries by telephone, fax, website and mail.

❖ Accessible reading services

We are creating an environment that makes it easy for people with disabilities and those who have difficulty reading to use the library. If you have any issues, please feel free to contact us. Please check the homepage for service details.

❖ Terms of use

- No smoking on the premises.
- To avoid causing a nuisance to other users, please only park in the designated location.
- Please store large luggage in the lockers in the entrance hall.
- You cannot make mobile phone calls in the reading room. Please go to the entrance hall if you wish to make a call.
- Taking pictures with cameras etc. inside the library is prohibited.
- Eating and drinking are not allowed in the reading room. Please use the rest corner on the 1st floor or the lounge on the 2nd floor.

Services

❖ My Library

- You can reserve books, extend loan periods, read e-books, and more online.
- To use this service, you will need to receive a "My Library" password.
- Applications for password issuance can be made at the counter, by mail, or online. For more information, please visit the website.

❖ Online lending service

You can reserve books using the My Library website. Reserved books can be picked up and returned not only at Aomori Prefectural Library, but also at other participating institutions in Aomori Prefecture, such as municipal libraries and community centres.

❖ Returning at local libraries

You can return books borrowed from Aomori Prefectural Library to municipal libraries and community centres. If you wish to use this service, please apply at the counter when you borrow your items.

❖ Photocopying

- You can make copies within the scope of Japanese copyright law.
- Fee (same for all paper sizes):
 - Electronic photocopy
 - Black and white...¥10/sheet
 - Color...¥50/sheet
 - Copy from microfilm...¥40/sheet

❖ Using the internet

- There are computers with internet connection. However, printing, voice output, and use of USB devices is not possible.
- Free Wi-Fi (Freespot) is available in the reading room.

❖ Database browsing

You can browse newspapers, the official gazette, and the digitized contents of the National Diet Library on a dedicated computer.
